

Child Sponsorship Program
Hogar de Niños Rancho El Milagro, A.C.
Baja Childrens' Fund, Inc.

The Rancho El Milagro Sponsorship Program allows you to become personally involved while enabling Rancho El Milagro to provide a home to many needy children in México. Child sponsorship makes it possible for you to help care for a child's physical, educational, emotional and spiritual needs.

The Lord God has allowed each child to be placed at Rancho El Milagro by the State Social Services or to be voluntarily placed by a living relative. Each child has a different story and background. Some have been abused, mistreated, abandoned, orphaned, left homeless, left in poverty, left with relatives, etc. All are in need of a safe and stable environment. All are in need of the love and salvation of our Lord Jesus Christ.

The Mexican State Social Services restructured their program which requires the childrens' homes to function more as a government placement home for minors off the street, allowing for less children to be placed voluntarily by relatives in need of assistance. Therefore, the children most likely will be placed in the childrens' homes for one, possibly two, school years. There are always the families of children that have been abandoned, and end up staying for a longer time period; some even staying until they finish their schooling and begin to support themselves.

In order to provide for each child's daily and educational needs, we invite you to sponsor a child or children. Through a Full Sponsorship for \$50.00 each month, you have the opportunity to cover a child's everyday and educational needs. Through General Sponsorship for \$25.00 each month, you cover the child's daily needs. Through an Educational Sponsorship for \$25.00 each month, you cover the child's educational needs. Through a Medical Sponsorship for \$50.00 each month, you cover the child's medical and dental needs. You can become a very important part of touching these childrens' lives. When you sponsor a child, you will receive a Christmas picture of your child, correspondence from them, and have the opportunity to develop a relationship depending on how often you write and/or visit. We ask that sponsors send a birthday and a Christmas present to the child each year in addition to the monthly sponsorship donation, write letters regularly to the child, send a picture of your family to the child and visit the child at least once a year. The most important thing you can do for your child is to share the Lord's love with him/her and to pray for him/her daily.

The highlight of the year is our Annual Sponsor Day for all friends and sponsors of Rancho El Milagro, held on the first Saturday of December each year. We invite all friends and sponsors to join us for a Mexican style lunch followed by the childrens' Christmas Program. The children work very hard to prepare for the lunch and program. It's our way of saying thank you and a way to share the love with those who so willingly share their love with the Rancho El Milagro Family throughout the year. We hope all of you will join us to celebrate the birth of our Lord Jesus Christ with the children!!
